

Introducing the I-Cleaner 120

Let a robot take the hard work out of cleaning your pool

If you are spending more time cleaning your pool than enjoying it, you need the I-Cleaner robot at your place

Enjoy more time in the pool than cleaning it

Spend less money on water bills

Improve water quality

Reduce workload on your filters

It's smart, it's powerful and it looks great, but best of all, it really works!

A complete cleaning solution and unbeatable value

The I-Cleaner robotic pool cleaner is designed to enhance your pool cleaning experience. All you have to do is place the robot in the pool, turn it on and it will clean the floor and walls automatically. The self contained vacuum bag, means there is no need to clean your cartridge filter or sand filter after the vacuuming is done. Simply rinse the internal vacuum bag, and you are ready for the next clean.

The I-Cleaner comes standard with all the features you would expect from far more expensive brands:

- a genuine wall climbing robot
- 300 liters per minute of filtration
- 15 or 30m tangle resistant floating cable
- a full function, wireless remote control, with "Floor only cleaning" option
- a caddy to move and store your robot
- sponge wheels suitable for all pool surfaces
- a 24 month limited warranty
- exceptional after sales service
- several filtration grades available

Smart

- Z programming for systematic cleaning
- Reverses when exiting a beach entry pool
- Choice of 3 cycle times .5hr, 1hr and 2hrs
- Auto switch off at the end of the cycle
- Targets specific areas with the use of a remote control
- Two drive motors for manoeuvrability
- Suitable for all pool shapes and surfaces

Powerful

- Filtering 300 liters per minute
- 200 watts of cleaning power
- Two powerful drive motors provide outstanding climbing capability.

Durable and real value for money

- Robust design and rugged good looks
- Proven reliability
- Do it yourself servicing
- Affordable replacement parts
- 24 month warranty
